THE STUDENT ASSOCIATION

OF

MORGAN PARK HIGH SCHOOL

CHICAGO, ILLINOIS

DEDICATION

We, of the high school world, judge a teacher by what the students say of her. Unhesitatingly, these severe young critics have given Miss Miller a place at the top.

Her reputation as a teacher is enviable. Students find her classes interesting and profitable. Her willingness to be of service and her likeable personality win the friendship of all her pupils. We seniors feel particularly indebted to her for her work as registrar.

It is with hope that this volume will be a permanent reminder of our sincere appreciation and gratitude for all that she has done to instill in us a clear understanding of history, and in recognition of her wise guidance as senior adviser, that we, the students of Morgan Park, dedicate this yearbook to Bertha Alice Miller.

BERTHA ALICE MILLER

FOREWORD

We Americans point with great pride and patriotism to July 4, 1776, not only as the beginning of our nation, but as the day upon which our most priceless heritage, that glorious spirit of '76 was born. Dominating the story of our nation, it has become as much a part of us as the more tangible Bunker Hill, Valley Forge, or Gettysburg.

Our recovery from the recent economic crisis shows that this spirit has an active as well as an idealistic existence. A lesser nation might have crumbled away under the terrific strife. The entire nation rocked, but the foundation built on the grim determination of our people never to give up their independence, would not give way.

Therefore, it is not because there is danger of our forgetting or casting aside this heritage, but as a tribute to its permanence, that we have made the theme of this book reminiscent of the times when this unconquerable spirit was born.

GREETINGS!

My young Friends:

As the years roll on, and I am getting older, not younger as some people insist, I realize more and more that success for any one in any undertaking depends largely on the kind of coöperation he can get from his co-workers. It may be true that occasionally some individual can "pull off a scoop" all by himself, but it does not follow that this person will be always equally successful, working alone. Such a one, without doubt, possesses high qualities of leadership, and, if he were willing to share honors with others, he would be more uniformly, or rather more continuously, successful. That is particularly true in teaching. No one teacher can supply all the essential elements that are needed today to fit the young into our complex society. It requires coöperation of the most delicate kind, coöperation that is at once sympathetic and constructive.

In this annual, you are honoring one of our number who in her work has exemplified this kind of coöperation to a marked degree. She knows when to lead and when to follow, and she has been successful either way. I endorse heartily the thought which prompted you to single her out for special mention in this issue.

There are many in this little world of yours, students as well as teachers, just like her who are earnestly and patiently striving to build up within each one of you that same beautiful spirit of loyal coöperation. Profit by it. After all, it is not knowledge but character that counts and makes for ultimate success and true happiness.

FOREWORD

The Spirit of '76 handed down from generation to generation, has guided our people through the most difficult times of our history. We hope to do our part in perpetuating this spirit.

SENIORS

Ralph Winslow

Janet Dow

Edward Alt

Marjorie Allison

WHO'S WHO FEBRUARY

RALPH WINSLOW

A typical American boy, good-looking, interested in athletics, easy to get along with, fond of pleasure, a good student, and a real friend, Ralph has enjoyed an immense popularity during his stay at Morgan Park. His activities have been many and varied. He was prominent in the field of sports, having won letters in three major sports: wrestling, basketball and football. There is a quiet sincerity about this likable lad that has made us proud to number him among our friends.

JANET DOW

"Quality, not quantity" is an old epigram that adequately describes the first vice president of the Student Association, Janet Dow. She has the distinction of being the smallest and the brightest girl in her class, having graduated with the highest scholastic average of any girl in the class. Memories of the genial spirit of good fellowship and warm friendship, not to mention the dimpled smile that she has lavished on her classmates, will remain with us long after Janet has left Morgan Park.

MARJORIE ALLISON

Well liked about school for her friendliness and sense of humor, Marjorie Allison has proved to us that an outstanding scholar can also be a "regular fellow." She ranked second highest among the girls of her class and was a member of Tau Epsilon throughout her four years in high school. She has concentrated most of her activities in the literary organizations.

Marjorie leaves a host of friends behind her, as testimony of her popularity with the faculty and the student body.

EDWARD ALT

Edward Alt, whose ability for leadership has been proved in the number of high executive positions he has held during his four years at Empehi, has not limited his activities to academic pursuits. He has been judged the neatest R.O.T.C. cadet several times. He is enthusiastic in his interests and intensely loyal to his numerous friends. His willing helpfulness and his cheerful presence will be greatly missed at Morgan Park.

◇ ◇ ◇ E M P E H I 1 9 3 4 ◇ ◇ ◇

William Brick

Dorothy Richardson

Douglas Carroll

Nancy Hutchins

WHO'S WHO JUNE

WILLIAM BRICK

A flash in the water, a good scholar, a musician, and an all around good fellow, William Brick was chosen by the student body to fill the most coveted position in the school, the presidency of the Student Association. To be chosen to lead two thousand students is a singular honor and "Willie" has lived up to it. Never has the Student Association functioned more smoothly than it has under the administration of his competent staff. He has earned major letters in both swimming and wrestling. This handsome curly-headed lad is indeed a credit to Empehi.

DOROTHY RICHARDSON

Always to be found in the midst of some activity, Dorothy Richardson's high school career has been literally one committee after another. Behind that attractive and peppy exterior, we find the keen executive ability that has guided the Girl Reserves and Quill and Scroll through very successful years under her leadership. Her willingness to be of service has characterized all of her work. We are hoping for more like you, "Dot."

DOUGLAS CARROLL

Real scholastic ability and a keen interest in everything that leads to the advancement of the school lurk behind the happy-go-lucky, carefree make-up of Douglas Carroll. A Student Association officer and a member of the swimming team, "Doug's" talents are many and varied. His courage was demonstrated when he, a comparatively small man, played on the football team against much larger opponents. We only wish that he will have as much success in later life as he has had here at Morgan Park.

NANCY HUTCHINS

A charming voice and a gift for dramatic art distinguish vivacious Nancy Hutchins from the rest of her class, but these talents do not overshadow her natural ability for leadership. Recognizing this quality, many of the organizations elected her to responsible positions. She was the president of the Dramatic Club and the vice president of the June class. Equally well liked by boys and girls, the winsome, active Nancy Hutchins will be a welcome asset to any school.

Ralph Winslow

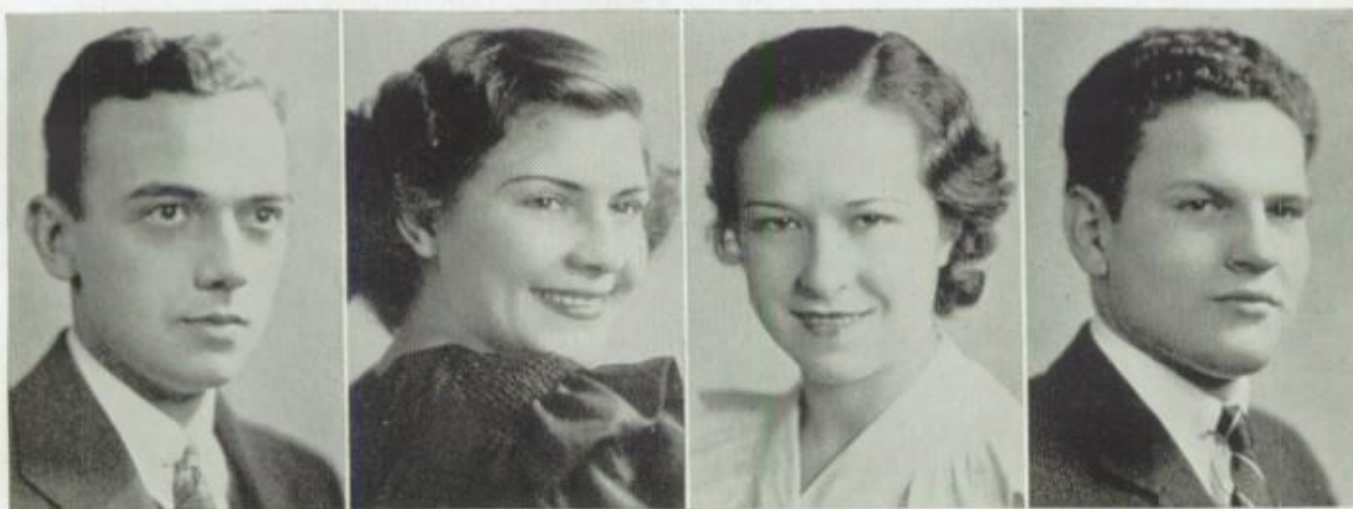

Rose Marie Renevier

Majorie Allison

Edward Porter

The February graduating class was under the leadership of Ralph Winslow, president; Rose Marie Renevier, vice president; Marjorie Allison, secretary; and Edward Porter, treasurer. The class presented fifty dollars to the school toward books for the library. The seniors gave an assembly called Cleopatra's Court. Senior Administration Day was again sponsored and for one whole day the teachers resigned as the seniors took charge of Empehi. A Mardi Gras Day was given and at the end of the hilarious day a social was held in the big gym. The Senior Prom was given at the Ridge Park Field House. And so another class graduated from Morgan Park.

For officers the June graduation class chose Davis Allen, president; Nancy Hutchins, vice president; June Reinhold, secretary; and William Shedd, treasurer. When this annual went to press nothing definite had been decided, but the following committees and their chairman had been chosen; Commencement Day Committee, Brierton Flanagan; Class Gift Committee, Sara Reynolds; Senior assembly, John Pajauskas; Ring Committee, Besselou Hunter; Social Committee, Dorothy Richardson; and Budget Committee, William Roby. Senior Administration Day and some sort of a costume day were also to be given.

FOREWORD

Always foremost in the financial and business enterprizes of the world, our people have found time to attend social functions and belong to recreational organizations. Much of our success as a nation is due to this.

ANNUAL STAFF

In the fall semester the work of the Annual Staff was begun. The credit of its first big achievement, the making of necessary arrangements concerning the senior pictures and activity lists, belongs to Ruth Paddock, literary editor of the annual, and her assistants, Pauline Turpin, Jean Fulton, and Alice Miner.

Under the capable direction of Miss Hotchkiss, art adviser, Sara Reynolds has been relentless in her position as art editor. Her assistants were Barbara Binney, Jack Penson, and Derril Blevins.

Leonard Luck and his co-workers, Ina Anderson, Eunice Zimmerman, Muriel Burns, and Betty Symons did excellent work in handling the activities of the school.

Others that deserve special mention are the business manager, James Hayles; the adver-

tising manager, Eugene Mapp, and his assistants, Edward Karge, Thomas Repp, and Jack Bushnell working with Mr. John Specht, business adviser; the writers of sports, William Boardman, Herbert Allshouse, Howard Coyle, and Anne Hartanov; the staff writer, Roberta Morrow; and the two hard working, excellent typists, Vera Fiddelke and Monica Schulte.

Those who helped out at various times were Margaret Williams, Betty Tredwell, and Helen Hooper. Division pictures and many snapshots were furnished by Mr. A. Royal Gay and his photographic staff.

The Annual Staff is greatly indebted to the untiring efforts of the editor-in-chief of the annual, Gene Gallivan, and to the excellent aid and inspiring zeal of its faculty adviser, Miss Jane Milton.

EMPEHI NEWS

Spurred by the enthusiasm of its enterprising editor, Rodney O. Daly, the Empehi News staff has tried during the past year to improve the weekly editions of the Student Association paper by publishing better news stories, a greater variety of interesting articles, and by printing more photographs and cartoons. Due to an increased interest of students in journalistic work, the staff has increased considerably in size.

The Empehi News has continued its membership in the Greater Chicago Scholastic Press Guild and the Illinois State High School Press Association convention at the La Salle Hotel in Chicago, where they served as official hosts to delegates from different sections of the United States.

On several occasions the news staff, co-

operating with Quill and Scroll, has edited extra editions, called Empehi Bulletins.

The editorial staff owes much of its success during the past year to the supervision of its faculty adviser, Miss Margaret Sturgeon.

The members of the Empehi News staff who have been graduated during the last year, or are graduating this June, are Rodney Daly, Margaret Williams, Gene Gallivan, June Reinhold, Anne Hartanov, Colette Long, Florence Shea, Dorothy Richardson, William Boardman, Jack Lovell, Billie Jean Washburne, Betty Jane Rees, Alice Miner, and Muriel Farmer. They have made this a memorable year in the history of the Empehi News.

QUILL AND SCROLL

Quill and Scroll, the national honorary society for high school journalists, was organized at Empehi by Miss Margaret Sturgeon in 1929. The purposes of the society are "to instill in the students the ideals of scholarship, to advance the standards of the profession of journalism by developing better journalists, to inculcate a higher code of ethics, and to promote clear and forceful writing."

Members of this honorary society must be at least of junior standing, must be in the upper third of their class, must have done superior work in some phase of creative writing, and must be recommended by the supervisor.

Four extra editions of the Empehi News have been financed by Quill and Scroll during the year. A tea was given for the jour-

nalism classes and the Empehi News staff last semester. In November, Miss Louise Comstock spoke to the journalists about newspaper syndicates. Members of Quill and Scroll send contributions in numerous branches of literary work to the National Quill and Scroll contest yearly. Each year, the club holds a banquet in June for its members and the Empehi News staff.

Officers during the first semester were as follows: president, Dorothy Richardson; vice president, Anne Hartanov; secretary, Gene Gallivan; treasurer, Florence Shea. For the second semester, the officers were as follows: president, Howard Baugher; vice president, Anne Hartanov; secretary, Margaret Williams; treasurer, Norman Camit.

Bennis McDowell Bartee Mr. Specht Willcox Long Tredwell

THE BUSINESS STAFF

Organized for the purpose of securing advertisement for the Empehi News, exchanging papers with other schools, and circulating the papers through the school, the Business Staff, under the leadership of Robert Bartee, has shown unusual progress in the last two years.

Headed by Jane Long, the advertising department has had one of its most successful years. Jane has been very ably supported by an ambitious staff comprised of Muriel Cook, Robert Smith, Betty Long, Shirley Gneiss, Dorothy Gneiss, Mable Montague, Warren McDowell, Geraldine Thiele, and Elizabeth Cooksey.

The records of the paper have been kept

with great accuracy by the bookkeeper, Barbara Wilcox, and her associate, Dorothy Dykeman. Robert Thomas has been in charge of exchanging the papers with other schools and subscribers. Sixty-five schools and twenty subscribers are now included on the exchange list. The billing of advertisers has been handled by Katherine Bethke.

The circulation of the paper has been handled by Arnold Schenk and his associates, Allen Cunningham, Barbara Page, Tim Tredwell, Thomas Turner, Jean Bennis, and Lowell Smith.

Mr. John Specht is the faculty adviser.

QUILPEN

Quilpen, sponsored by Miss Alma Bauman, has attempted during the year to promote a greater interest in creative writing.

Due to the excellent story material provided by the members; they have been able to revive Quilpen Corner in the Empehi News.

The club has undertaken various activities, all of which have proved a great success. When Quilpen presented an assembly in January, they were fortunate in securing, as a speaker, Mrs. Hoen, prominent in the field of dramatics and literature. According to their usual custom, the Quill and Scroll officers were invited to a social meeting held at

the end of the semester. Quilpen also sponsored a bake sale, two card parties, and a progressive dinner.

The club feels that Miss Bauman's genial companionship and coöperation have greatly influenced the feeling of interest and good fellowship amongst the members.

A change of officers took place at the beginning of the second semester when Babette Kramer succeeded Marjory Allison, as president; Muriel Burns, Babette Kramer, as vice president; Helen Hooper, Robert Colburn, as secretary; and Barbara Binney, Anne Humphreys, as treasurer.

TAU EPSILON

Tau Epsilon is the honor society at Morgan Park and was organized in March 1924, for the purpose of encouraging scholarship and school activity. The first year, it had about sixty members, but now it has grown to be the largest club in the school, with approximately two hundred members. All persons having an average of eighty-five or over, and at least four honor points, may become members. In contrast to the other clubs, however, this record must be maintained each semester or membership is lost. Honor points are received from various sources: for example, holding club offices, being division representatives, having final grades of ninety and

over, and rendering any outstanding service to the school, either in activity or scholarship. Each semester, Tau Epsilon presents fitting awards to the highest graduating seniors, and to all who have been in Tau Epsilon seven semesters.

Officers are elected every semester. For the fall semester, they were president, Edward Alt; vice president, Esther Jacobs; secretary, Martin Miller; and treasurer, Cecil Bothwell. For the spring semester, they are president, Esther Jacobs; vice president, Edwin Bayrd; secretary, Martin Miller; and treasurer, Virginia Hare.

THE ORCHESTRA

Under the direction of Captain Guy D. Hartle, the orchestra has participated in many successful events. The orchestra alternated with the band in playing for the assemblies. They also played for the Dramatic Club plays and for graduation. They sponsored an assembly, coöperated with the band in promoting two shows at the Ridge Forum, and had a major part in the operetta.

Jenny Slebos, the first celloist for two successive years, competed in the Chicago High Schools' Solo contest and won first place in the finals both years. She was soloist for the Beverly Ridge Symphony Orchestra last spring.

Let us take you "behind scenes" to a practice of this organization. The orchestra usu-

ally "runs through" a march, and then an overture. The overture, we shall hear today is "Lyric" by Schlegel. "The Fifth Symphony" by Beethoven, is the main work of the practice, and the orchestra literally "tears it apart" and works on each part until perfection is achieved. We are reminded that the practice has come to an end when Captain Hartle says: "See you in church."

The offices of president and vice president for both semesters were held by Ruth Bailey and Charlotte Carmen, respectively. Charles Olsen was secretary, the first semester; and Jenny Slebos, the second semester. Michael Panchyshyn was the treasurer the second semester.

THE SILVER SHIELD ASSOCIATION

The Silver Shield Association is an organization recently formed for the purpose of bringing the hall guards into closer harmony. Carlyle Woelfer and Durwood Evans drew up the plans for the present organization. A commissioner was chosen to be at the head of the association. Together with his staff which helps and advises him, the commissioner is responsible for the group. The staff consists of Duncan McCallum, commissioner; Raymond Pascoe and Durwood Patterson, section leaders. Francis McFarland and Chester Mizera are assistants to the section leaders. Raymond Pascoe has charge of the first five periods. Durwood Patterson, section leader,

has charge of the last six periods with Chester Mizera as his assistant. Under the two section leaders are the following captains: first period, Mildred Johnson; second, Edward Heniff; third, Herbert Gorsush; fourth, Peter Heisman; fifth, Paul Schwaighart; sixth, Welton Smith; seventh, Chester Mizera; eighth, Chester Mizera; ninth, James O'Connor; tenth, Alfred Smith.

The members of this association will continue to serve the school to the best of their ability. With the continued coöperation of the student body and the faculty, they hope to become more efficient than ever.

GIRL RESERVES

Any girl is eligible for membership in the Girl Reserves. The purpose of this organization is to "find and give the best" to their community and to their school. The blue triangle of the Girl Reserves stands for equal development of body, mind, and spirit. The members are always ready to serve the community and school.

Opportunities are given to support the Scholarship Fund and community welfare work. Trips are taken to outstanding spots in Chicago; discussions are held on topics of absorbing interest to all girls; special lectures on clothes, make-up, and etiquette by outside

authorities are sponsored for the benefit of the whole student body. Bi-weekly meetings, suppers, and entertainment are held throughout the year.

The officers for both semesters were Rita Handbury, president; Betty Tredwell, treasurer; and Elizabeth Tibbles, secretary. The triangle leaders for the first semester were Jane McKnight, Violet Huddleston, and Kathleen Boyle; and for the second semester Jean Wright, Martha Van Gorkom and Mary Alice Welhener. Violet Huddleston was publicity manager for the spring semester and Ruth Hatfield for the fall semester.

GIRL RESERVES

Any girl seeking friends, may find many in the Girl Reserves. The purpose of the club is to promote friendship among the girls, and to serve the school and community.

The membership is divided into groups called triangles, each one with a leader. Each triangle sponsors one meeting during the se-

mester with club discussions, special lectures, and social meetings.

Miss Dorothy Holder has been the able adviser of the club for both semesters. The second semester leaders were Margaret Barker, Kathleen Boyle, Jean Crombie, Carolyn Thompkins, Doris Jean Peterson, Kathleen Cummings, and Eleanor Longley.

DRAMATIC CLUB

To give the students a better understanding and a deeper appreciation of dramatic art is the aim of the Dramatic Club. Each member of the class enjoys the opportunity of appearing on the stage to put into practice the technique that has been acquired in class.

During the past year, under the direction of Mrs. Mary Ellen Dwyer, the club has en-

tertained with one-act plays at eight assemblies, and has given two productions at which admission was charged.

The Dramatic Club has supported school projects by giving S. A. members a reduction on the price of tickets and by contributing money for stage and school equipment.

FRENCH CLUB

"Cercle Francais" was organized to stimulate and further interest in the French language and to give its members an opportunity to converse in French. Students who have had one year of French are eligible for membership in this club, which meets every other Thursday.

During the year the club sponsored an assembly and a movie. A play was presented at the assembly. In March, achievement pins and guards were presented to several members.

The officers of the first semester were Helen Lyon, president; Margaret Williams, first vice

president; Dorothy Minuth, second vice president; Besselou Hunter, secretary; and Erica Werner, treasurer. Officers of the second semester were Charlotte Clarke, president; Muriel Burns, first vice president; Ruth Paddock, second vice president; Esther Jacobs, secretary; Doris Nyvall, treasurer; and Betty Tredwell, historian.

One of the greatest events of the French Club's year is the annual Rose Day, held on April 20, on which roses are sold by members of the club and students of the French classes, for the benefit of the school.

LITERARY CLUB

The Literary Club, whose aim is to cultivate a deeper appreciation of literature, has developed into an interesting and helpful organization.

The members have held meetings every two weeks in order that they may discuss recently published books; and each week have written book reports for the school paper. The drama "Candida," by George Bernard Shaw, was enthusiastically attended by all. At Christmas time, the Literary Club presented a play entitled "Mimi Lights the Candle," written by Edith Cauter; and later, sponsored the movie "The Phantom of Crestwood." On March 16, the club held their

annual party, which was a very unusual affair; and on April 10, they presented a bridge tea.

The Literary Club feels that they have made considerable progress, because of the expert guidance of Mrs. Evangeline Hibbard, the adviser.

The officers of the club for the first semester were president, Mildred Rades; vice president, Marjorie Allison; secretary and treasurer, Helen Lyon. The officers for the second semester were president, Mildred Rades; vice president, Florence Shea; secretary, Ina Anderson; treasurer, Athena Massias.

SPANISH CLUB

The purpose of "El Circulo Español" is to promote interest in the activities of the Spanish-speaking people. In order to accomplish this, the members speak only Spanish, give Spanish plays, sing songs in Spanish, and visit the countries where Spanish is spoken, by means of motion pictures, slides, and photographs.

During the fall semester, the White Elephant Sale was a success; also the Gay Nineties party, where the guests were entertained with Spanish music. This semester the club sponsored a movie called "Another Language," and held a doughnut sale which was an immense success. The gala event was the "Fiesta" given on May 25. The annual pic-

nic was to be held in June. The club attended a Spanish Fiesta on May 5, which is a national Mexican holiday.

Last semester's officers were president, Jane Hayden; vice president, Gunnell Grinndal; second vice president, Betty Hayden; secretary, Sara Reynolds; treasurer, Lansford Moore. The present officers are president, Joseph Vasquez; vice president, Jane Hayden; second vice president, Sara Reynolds; secretary, Gunnell Grinndal; treasurer, Edwin Bayrd.

The invaluable aid given by its advisers, Miss Mary F. Holland, and Miss Margaret Brown, have made this a very successful year.

THE LATIN CLUB

In 1929 the Latin Club was founded for the purpose of creating a finer understanding of the Latin language and the customs of the Roman people.

Pupils who are studying third or fourth year Latin, or who have passed 2B Latin with a grade of eighty-five, are eligible for membership in the club.

The administration of the club is based on the old Roman republic. The officers during the fall semester were first consul, Muriel Burns; second consul, Pauline Turpin; scribe, Babette Kramer; quaestor, John McWhorter; aediles, or those who take charge of entertainment, Margaret White, Dorothy Kent, and Ruth Hochfeldt. For the spring semes-

ter, Jean Wright was elected first consul; Mary Jane Graettinger, second consul; Margaret White, scribe; Dorothy Kent, quaestor; Jane Long, Virginia Hare, and Judith Meyer, aediles.

The club holds a banquet annually, on April 21, the date of the founding of Rome and, also, of the club.

During the year the club sponsored a bake sale and a movie, the proceeds of which were divided between the Scholarship Fund and the Student Aid Fund.

The Latin club was an equal success under the guidance of Miss Cora Petty, the first semester, and Mrs. Harriet Arthur Hecht, the second semester.

ZOOLOGY CLUB

The Zoology Club was formed to promote interest in this field of science. Miss Lucy Babcock has been the faculty adviser for a number of years and is interested in the growth and advancement of this society.

This year the club presented at Blackwelder Hall, a movie, "Sweepings"; and sent a contribution to the "Good Fellow Club."

To uphold the purpose of the club, trips were made to the aquarium and to the Live Stock show in Chicago. Since so many members were unable to attend afternoon meetings, the fall initiation was held in the evening at Charles Heck's home. The last meeting of the fall semester was a picnic dinner at Katherine Bethke's.

For the fall semester of '33 this capable

slate was chosen: Nancy Shipner, president; Cecil Bothwell, vice president; Katherine Bethke and Anna Mae Savidis, second vice presidents; Thomas Jacobs, treasurer; Jane McKnight, recording secretary, and Elizabeth Tibbles, corresponding secretary. On account of late classes, Nancy Shipner could not serve so Cecil Bothwell became acting president; and Scott Stokoe was appointed as acting vice president. Esther Jacobs substituted for her brother Thomas. Those chosen to succeed this slate for the spring semester of '34 were Jane McKnight, president; Scott Stokoe, vice president; Margaret Dick, second vice president; Katherine Bethke, recording secretary; Pauline Turpin, corresponding secretary; and Thomas Jacobs, treasurer.

COMMERCIAL CLUB

One of the most active and useful organizations in the school, both in the social and business field, is the Commercial Club.

The club has a three-fold purpose: (1) to render service to the school, not only through the Student's Exchange, but by furnishing efficient commercial work to any teacher or club desiring it; (2) to broaden the business outlook for the members by means of excursions to various business houses and exhibitions, and through speakers; (3) to provide more social life for commercial students.

This club was organized five years ago by Mrs. Ruth Mills, one of its present faculty

advisers. This semester Mrs. Mills is supervising the business and Mr. W. B. Calkins, the social activities of the club.

During the fall semester, Walter Klein was president; Dorothy Gruoner, vice president; Ruth Turner, secretary; Paul Schwaighart, treasurer; and Marie Luxen, alumni-secretary. During this time the club donated \$127.80 for various school projects.

The officers during the spring semester were Betty Hayden, president; Russell Peterson, vice president; Harry Klein, secretary; Jane Hayden, treasurer; and Alma Angstrom, alumni secretary.

The Junior Reserve Officers' Training Corps is provided for by the National Defense Act, to qualify selected students for appointments as reserve officers in the military forces of the United States.

A student may take military training instead of physical education; and have the additional advantage of being able to earn a major credit in military science and tactics, an elective in science.

Upon entry into a college or university, wherein a senior unit is maintained, a cadet may enroll in the advanced course, and re-

ceive pay from the government for a period of two years, while so serving. Some universities offer free tuition to cadet officers in these senior units.

In our present organization, we have a regiment consisting of two battalions, each of which has two companies and a staff. A lieutenant-colonel, the highest mark available in this school, is in command of the regiment.

Special classes each week are maintained for cadet officers and cadet non-commissioned officers, wherein they receive extra instruction fitting them for further promotions.

CADET OFFICERS' CLUB

The Cadet Officers' Club of the Morgan Park High School R.O.T.C., although only a few years old, has become one of the leading organizations of the school.

The threefold purpose of this organization is first, to promote good fellowship among the cadet officers of this school; second, to raise the morale of the entire R.O.T.C. unit; and third, to promote discussion in military science and tactics, toward the furtherance of a better understanding of the duties of a cadet officer.

Under the splendid leadership of its officers, the Cadet Officers' Club presented the eleventh annual military ball. A farce on Shakespeare's 'Hamlet' was given at two

assemblies, after being re-written by the members of the club. A movie was also given by the organization.

The success of the Cadets Officers' Club is largely due to the willing help given it by Sergeant H. E. Parrett, the faculty adviser.

Officers for the first semester were Cadet Captain Porter, president; Cadet Major Van Valkenburgh, vice president; Cadet Lieutenant Brown, secretary; and Cadet Lieutenant Robert Evans, sergeant-at-arms. Officers for the second semester were Cadet Major Flanagan, president; Cadet Captain Robert Evans, vice president; Cadet Captain Martin Miller, secretary; and Cadet Captain Percy Haythorne, sergeant-at-arms.

USHER FORCE

The Usher Force is one of the best known service organizations of the school, and was organized in 1926 when the auditorium was built. It consists of thirty cadets of the R. O. T. C. who act as ushers when the auditorium is used for both school and community organizations.

For these services, the Usher Force receives no pay except that which it earns from the sale of candy at the Friday night movies. This money is kept in the school treasury and is known as the Usher Fund. At the end of the school year, twenty dollars is given as a prize to the three best ushers who are rec-

ommended by the head usher, and selected by Sergeant Parrett, the faculty adviser, and Captain Lorentz. The head usher for the following school year is picked by these people at the same time. The remaining money is divided equally among the ushers. Each year a movie is sponsored, and the profits added to the Usher Fund.

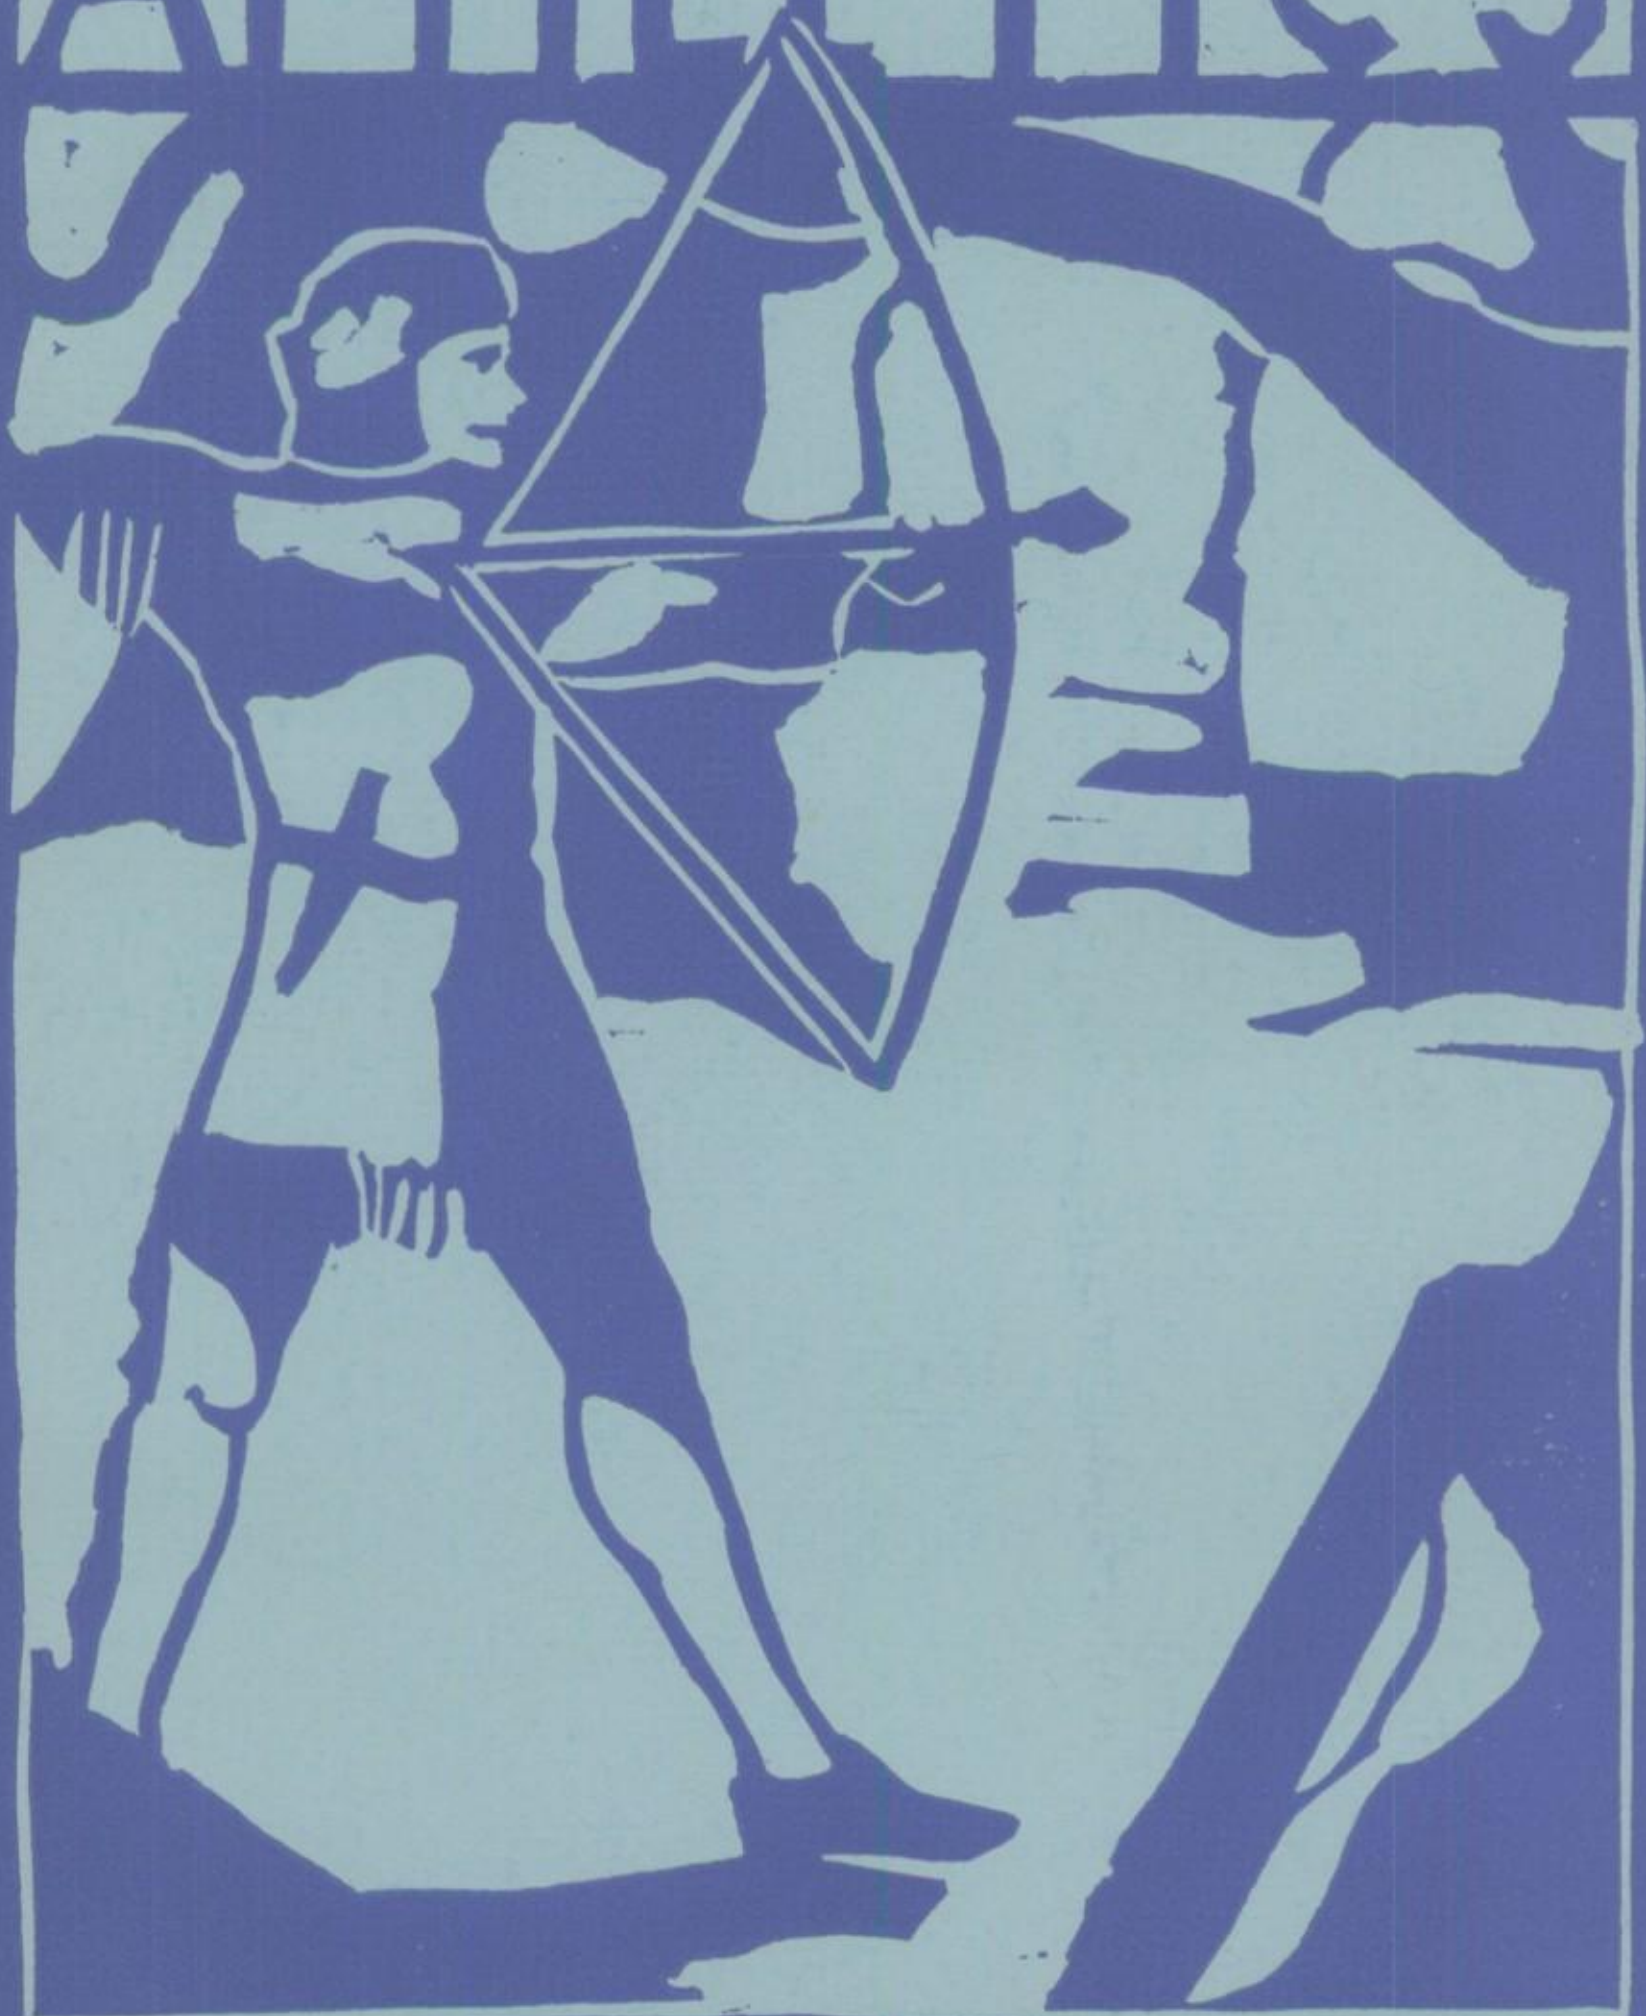

The officers of the Usher Force are Robert Evans, head usher; James Landers, main floor captain; Duncan McCallum, balcony captain; Scott Stokoe, assistant main floor captain; Gustav Bornemann, assistant balcony captain, and Claude Fennema, foyer captain.

—ROBERT EVANS

FOREWORD

Hunting, shooting, riding, and various other activities that were necessary to our ancestors in providing their living and protecting their lives and property have developed into the sports that serve as the recreation of our people today.

ATHLETICS

Football and wrestling at Morgan Park is under the tutorship of Coach Robert C. Antonides. Coach Antonides, young and peppy, is a very successful coach as the records of his teams prove.

The success of Morgan Park's swimming team is largely due to the efforts of Coach Robert E. Maysack, better known as "Pop."

Mr. Richard Tweedie is the gentleman who besides coaching tennis and golf takes care of eligibility. He has for himself the distinguished title of athletic director.

Where there is a basketball or baseball being thrown around Empehi, you will probably find Coach Bernard R. Peterson close by, showing how it should be done and why.

BASEBALL

Although handicapped somewhat by lack of early season preparation, the 1934 Morgan Park baseball team presented many evidences of being a first class baseball team, capable of winning a first, or at least a second, place in their division, the South Section.

Five veterans from the 1933 team were members of the team, two of whom were pitchers. This left many gaps for Coach Bernard E. Peterson to fill with new material. A great many players who had considerable outside playing experience came out. From the veterans and from the newcomers, Coach Peterson made up his starting line-up for the first league game played on April 16.

This line-up was headed by a veteran catcher, Howell McAfee, who received the pitches of Bill Overman and Homer Tyler. The infield consisted of Harold Fisher and Al Imhoff at third and second base respec-

tively, as well as Abe DeHaan at shortstop, and Paul Thomas at first base. The outfield was a smooth fielding, regular hitting combination which had Bill McBurney, Gene Bates, and Bob Thompson in left, center, and right fields respectively.

Plenty of good reserve material greatly aided the outlook for the season. Reserve batteries consisted of Fred Lukens, catcher; Gus Borneman, Al Nelson, and Mervin Elliott, pitchers. Reserve infielders were numerous including Allan McNeill, Thomas Jacobs, Carl Anderson, Jim Nichols, Bob Johnson, and a good reserve first baseman, Herbert Cornelius. Chandler Scott was the only reserve outfielder.

The team ended the 1934 season with a .500 average; winning five games and losing five. Empehi beat Calumet and Fenger twice, split with Hirsch, and lost twice to Bowen and Parker.

FOOTBALL

As in 1932, the '33 football season was another chain of upsets by Empehi's grid warriors. Week after week defeat was prophesized for Morgan Park by various newspapers, but when the season reached its close, Morgan Park was in the finals for the city title. One newspaper writer said that Empehi would do no better than to take fourth place in the South Section.

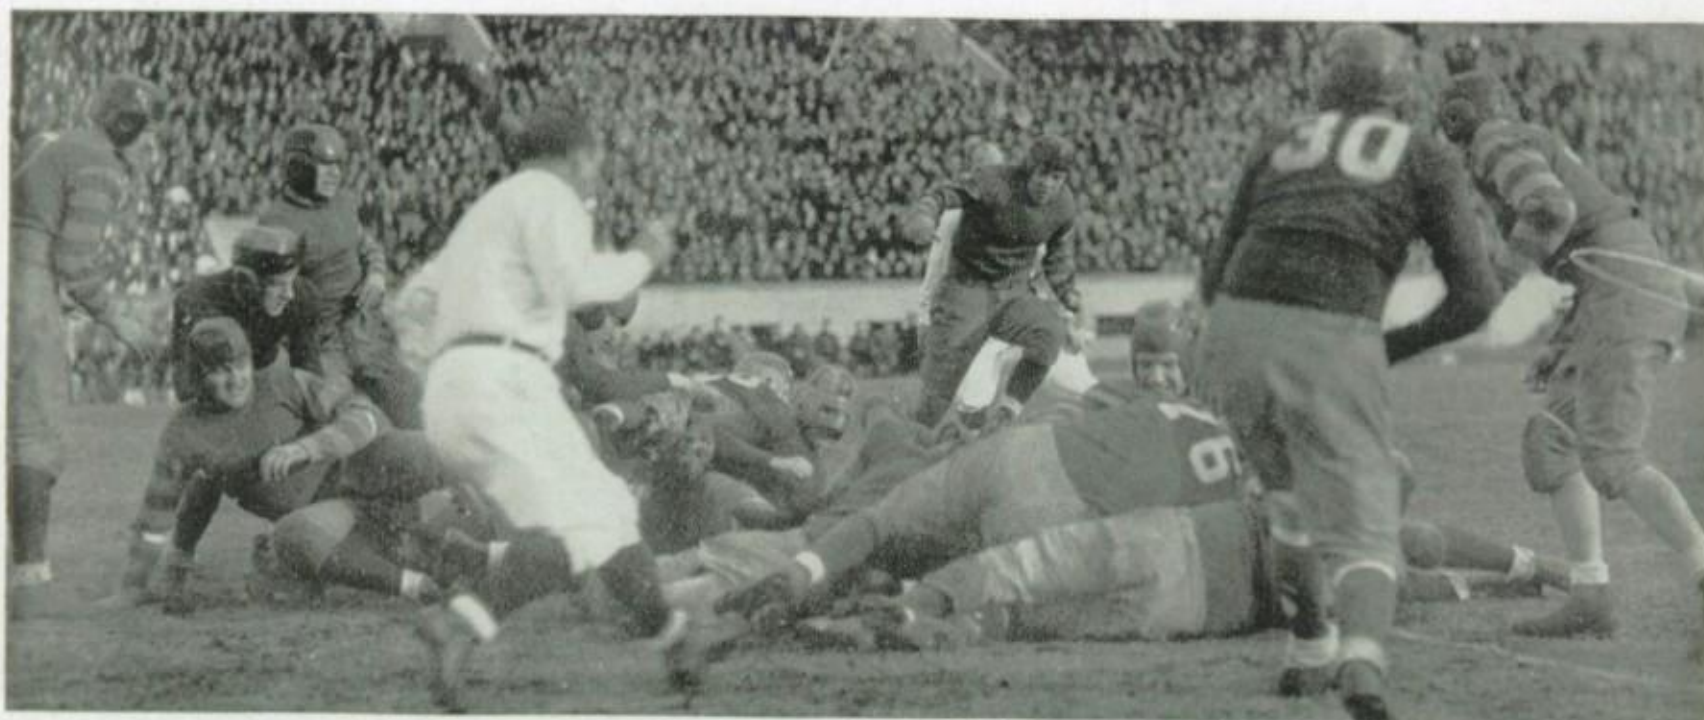

During the practice season, it looked as though the sports forecasters might be right. Morgan Park lost their first two practice games; and the third game resulted in a 0 to 0 deadlock.

After having had only a week's practice, Coach Antonides put his squad aboard a bus and traveled some 50 miles to Michigan City where they played the Michigan City High School. The hot weather slowed the game up

considerably, and no consistent gaining was done by either team. In the second quarter, Michigan City managed to push over the only score of the game which gave them victory, 7 to 0.

On the following Saturday Empehi played Englewood, the school they defeated for the championship in 1932. Englewood made a touchdown but no extra point in the second quarter. Soon after, however, Johnny Schwarz crashed through for a touchdown and the extra point to put Empehi ahead 7 to 6. Morgan Park retained their lead up until the last quarter when Englewood scored again. The final score was 13 to 7, but Empehi was a vastly improved team despite their defeat. The Hyde Park game ended in a scoreless tie but Morgan Park appeared to be the superior team, threatening Hyde Park's goal several times.

◇ ◇ ◇ E M P E H I 1 9 3 4 ◇ ◇ ◇

Harrison Game

PARKER GAME

The league season opened with Parker at Shrewbridge Field on Saturday, October 14, with a victory for Empehi by a 13 to 7 score. Parker scored in the opening quarter on a long pass to Frain who trotted about ten yards to a touch down. This evidently awakened Morgan Park because they put over two touchdowns, one in the second quarter and one in the fourth, both being made by Johnny Schwarz, Empehi's leading scorer.

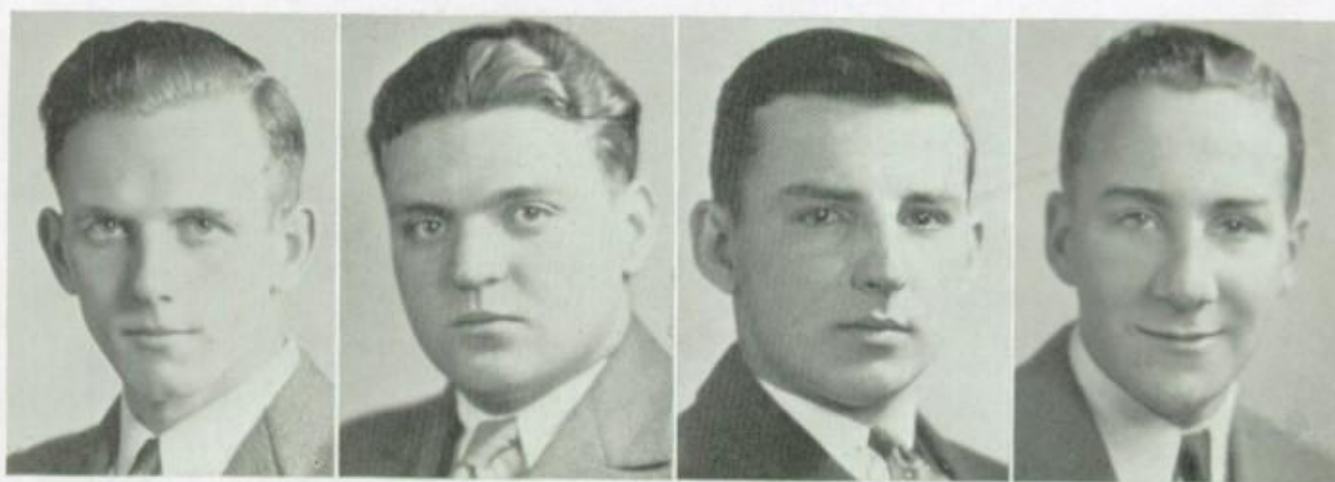

PHILLIPS GAME

The Phillips' game was to have been played on Saturday, October 21, but because the field was in such a liquid state, the game was

postponed to the following Monday afternoon. The game was played on the school field and was a 14 to 0 victory for Morgan Park. Bob Christie scored all the points in this game with two touchdowns and two extra points via the cross bar route. In this game Empehi lost one of its most valuable players, Frank Benjamin. Frank suffered a severe concussion of the brain in the second quarter of the game which put him out for the rest of the season.

CALUMET GAME

Overconfidence was the cause of the rather sad results of the Calumet game on the Saturday following the Phillips' fray. A weak Calumet eleven battled a much bigger and

Edward Karge

William Elliot

Fred Owles

Douglas Carroll

◇ ◇ ◇ E M P E H I 1 9 3 4 ◇ ◇ ◇

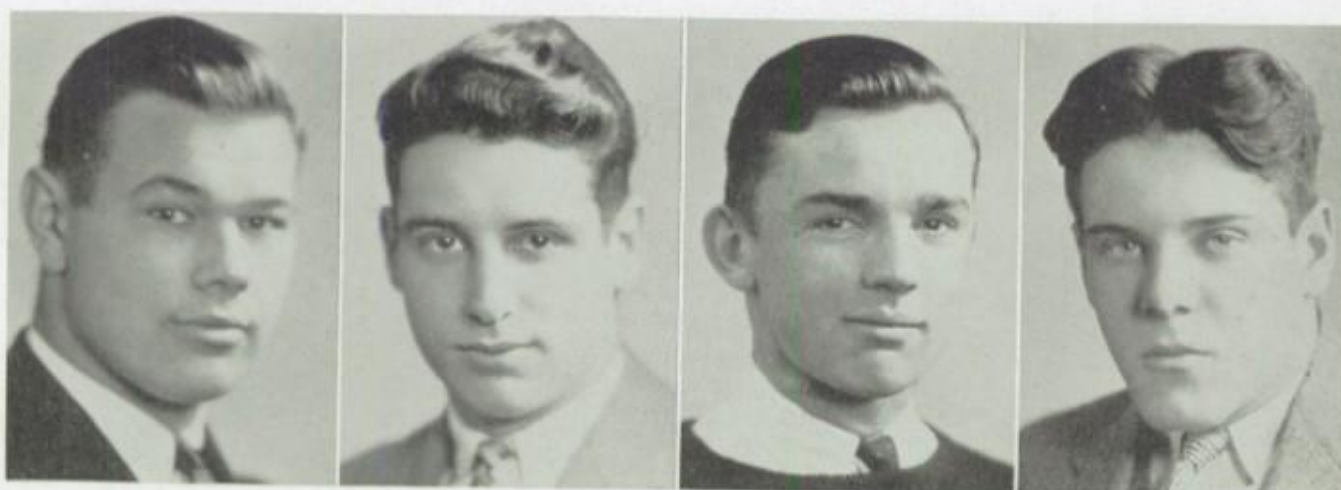

Lindblom Game

stronger Empehi team to a 13 to 13 tie. To start the scoring festivities, Calumet blocked a kick on Morgan Park's 35-yard line; Humphries, Calumet left end, picked up the ball and scampered across the goal line to put his team ahead. Empehi was not long in returning the compliment, however, for after about seven plays following the kick-off, Boardman, playing left half at the time, scored on a lateral pass from Tompkins, tying the score at seven all. Empehi scored again in the third quarter when Ralph Winslow scooted over from the seven-yard line. A severe penalty on Morgan Park in the final quarter gave Calumet the ball on Empehi's four-yard line from where Piper put it over on three plays.

Johnny Schwarz was unable to play in this game because of an injured knee.

FINGER GAME

The following week Empehi met a strong Fenger squad chafing under a defeat by Parker the week previous. By virtue of a touchdown by Captain Hank Guderyahn, a lot of good playing, and some good headwork, Empehi eked out a 6 to 2 victory over Fenger. Hank scored the touchdown when he recovered a kick blocked by Herb Wall behind Fenger's goal. When Fenger threatened the Empehi goal, Kenny Thompson purposely scored a safety, giving them two points. This victory gave Empehi the section crown.

Kesten Narbutas

Frank Guderyahn

Herbert Wall

Manager Pierce

◇ ◇ ◇ E M P E H I 1 9 3 4 ◇ ◇ ◇

LINDBLOM GAME

Because of a bye in the section schedule, Morgan Park had two weeks in which to prepare for their semi-final tilt with the powerful and much heralded Lindblom eleven. On November 17, Empehi met and defeated Lindblom by a score of 7 to 6 at White City Stadium. Much to Lindblom's chagrin, Morgan Park scored in the first quarter. Narbutas heaved a lengthy pass to Doug Carroll, who, although he was surrounded by four Lindblom men, snared the pass on the enemy's four-yard line, from where Johnny Schwarz quickly scored. Johnny also made the extra point which proved to be Empehi's margin of victory. Rulis, Lindblom's swift-footed half back, scored his team's six points when he ran back one of Narbutas' punts 70 yards. The Lindblom game was probably the best game played by the green and white gridders during the 1930 season. Tompkins and Karge received some fairly serious injuries in this game which proved a great hindrance.

HARRISON GAME

The city championship game with Harrison proved to be the nightmare of the season. What was the cause of such a defeat, no one will ever know. Harrison, although they had a fine team, was not 32 points better than Morgan Park under ordinary circumstances. Contrary to the usual run of things, Morgan Park was over-rated and the Harrison team was expecting a tough game. They probably would have had one if the game had been played at the school field with nobody to watch; the size of Soldier Field rather awed the boys.

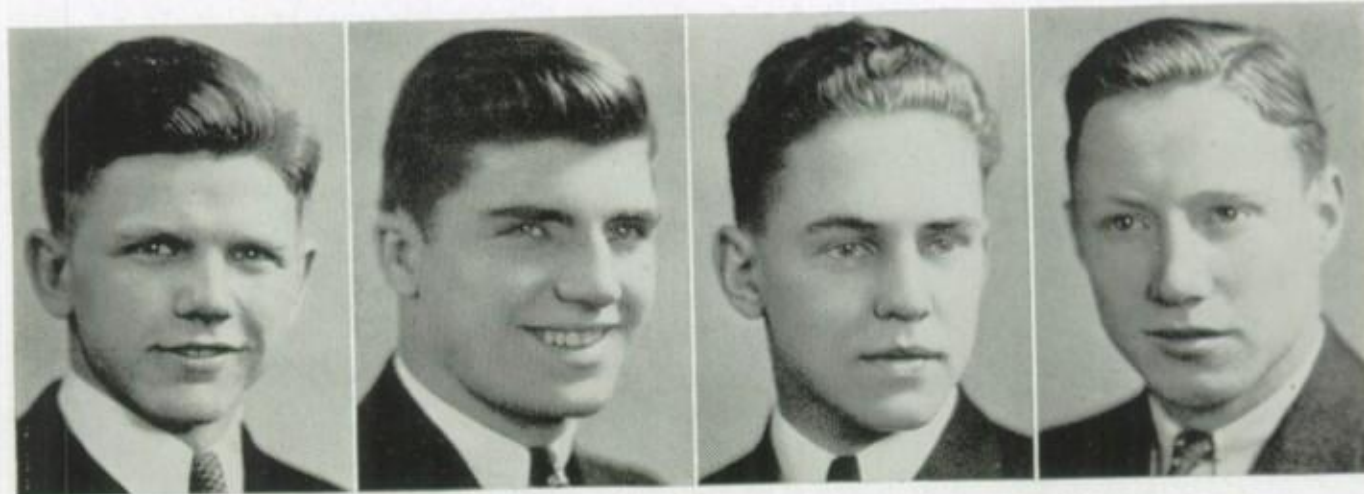

To give a description of the game would be an almost endless recital of Harrison plays featured by Puplis and Zientek. Empehi did not give up, and in the third quarter Johnny Schwartz ruled off a 40-yard gain from a lateral pass, but the team never seemed to be able to maintain a consistent offensive. November 25 was Harrison's day; not Morgan Park's.

BASKETBALL

In comparison with past lightweight teams at Morgan Park, the 1933-34 squad was certainly a success. Our ponies lost the second place berth and the right to compete in the quarter-finals to Hyde Park by only one point in a play-off game.

The lights started the season by winning all but two of their practice games. Among their victories were Waukegan, Tilden, Englewood, and Kelly; while their two defeats came at the hands of Blue Island and Lindblom.

In the league schedule the little men won two games before being upset by Hyde Park, those two games were Bowen and Hirsch. After the Hyde Park defeat, the ponies beat Parker and ended the fall semester play.

To start the new spring semester, the lightweightes lost a close battle to Fenger, but they staged a comeback in their next game and beat Harper by a 46 to 19 score.

The unexpected victory over Calumet threw Morgan Park into a tie with Hyde Park for second place in the South Section. It was on the Saturday following the Calumet game that Empehi's fighting five went down to defeat before a lanky Hyde Park team.

The regular members of the ponies included Pope, Kimmel, Gassler, Blake, James, and Falk.

The seasonal record of our heavyweights, to one who was not familiar with the team at the beginning of the season, does not appear particularly impressive. But when one takes into consideration the fact that none of the last year's first string players, and only two from the '32 squad reported to Coach Peterson last November, the season appears more successful. Those two veterans were Clarence Cleveland and Jesse Jones.

Coach Peterson scheduled some of the toughest teams he could find for pre-season games. Among them were Englewood, Tilden, Thornton, Kelly, Waukegan, and Blue Island. The heavies opened the league season with a defeat at the hands of Bowen's hefties but won their next two encounters with Hirsch and Hyde Park. Next on the list was Parker's gigantic quintet which ran over our none too large heavies by a healthy score. The Fenger game ended in an Empehi defeat. In February Harper invaded our basketball court and fell before our heavies. Calumet administered a beating to a fighting Empehi team.

The starting team varied from game to game but it might be said that the regulars were Percy Haythorne, Allen McNeill and Arthur Guckenheimer at forward; Jesse Jones and Harold Fisher at center; Clarence Cleveland and Garrett Spiers at guard.

WRESTLING

The Morgan Park wrestlers completed quite a successful 1934 season by placing five out of seven grapplers in the Ninth Annual Interscholastic Wrestling meet, and by taking the position of runner-up in the South Section.

A tough practice encounter with Hammond, Indiana, opened the season and brought a defeat of 42 to 15 to the Empehi squad. Instead of discouraging them, however, this only urged them on to bring in three succeeding victories in the league schedule. The first with Calumet proved to be an overwhelming victory for the squad, resulting in a huge score of 56 to 5. The second practice meet with Proviso resulted in a close score of 38 to 24 in Morgan Park's favor. The two following league meets with Fenger and Bowen brought in top sided scores of 55 to 8 and 53 to 5, respectively, both in

favor of Morgan Park, which placed her in the final match with Lindblom.

However, quite a different situation confronted the team at the Lindblom meet. Lindblom, who had been shifted from a tough Central Section into the South Section, proved a little too strong for the grapplers of Empehi and defeated them by a score of 42 to 21. A return practice meet to Proviso ended in a 31 to 27 victory for the Proviso squad.

In the Interscholastic Wrestling Meet, John Houseman, 108 pounds, took second place for Empehi. Howard Shiplick, who had pinned six out of his seven season opponents, managed to tie for third in the 100 pound division. Irwin Wilz, 116 pounds; Charles Moorman, 125 pounds; Frank Fitch, 145 pounds; all succeeded in tying for third place in their respective divisions.

Leadership!

If the late depression has taught this community anything, there is one need that has impressed itself forcibly upon us all.

Lack of intelligent leadership has cost more than can be estimated in lives and money. Positive, clear-headed leadership is now pulling us out of our troubles.

Every boy at Morgan Park is called upon to use the powers of initiative, choice, and decision which impell him to a sense of responsibility and leadership.

Morgan Park, entering upon its sixty-second year of service to this community, is a School of Leadership.

The Economic Sun is Rising

Through 78 years of changing business conditions this school has made steady progress in training young men and women for business usefulness and in placing them where they could grow and achieve.

Says the New York News, "Confidence has come back. We hope less for ourselves, more for others. We have come to be our brother's keeper that we may keep ourselves."

So definite is the present demand for practical salable training that our enrollment today is greater than in 1929—our "business" is better. We make this statement . . . not boastfully but significantly . . . as a guide to June graduates in preparing for a place in life. Visit, write or phone RAN. 1575 for Catalog.
